

Epiphany is more than one day ... it is a whole season!

Our wonderful gathering for the Feast of Epiphany on Jan. 6th was only the beginning of our celebration. The season of Epiphany actually lasts until Mardi Gras on February 16th, giving us several weeks to celebrate our identity as a community with a variety of special activities. We are pleased to share this overview of the activities that have been planned – what a busy time! We invite you to join us for any of the events that are marked with an asterisk (*). We look forward to your participation as we “Celebrate Epiphany.”
